Arashiyama & Sagano Virtual Tour

On this virtual tour, experience sightseeing in the Arashiyama and Sagano areas of Kyoto, one of the popular sightseeing regions of Japan. At Tenryu-ji Temple, which is a registered World Heritage Site, you can view the beautiful Japanese garden while being told about the history of the temple as well as Zen Buddhism. At the Bamboo Grove Path, one of the sites that symbolize Sagano, enjoy the simulated experience of riding on a rickshaw. The tour will also visit popular staple sightseeing spots such as Arashiyama Monkey Park, a shopping arcade lined with souvenir shops, Togetsukyo Bridge as it shows off its seasonal beauty with Mt. Matsuo and Katsura River in the background, and more.
